Proficient: JavaScript, HTML, CSS, React, Redux, Axios, Express, Node, Sequelize, PostgreSQL
Familiar: Passport.js, React Hooks, Socket.io, OpenTok, Bulma
Tools: Git, GitHub, Heroku, Travis, Mocha, Chai, Jasmine, Visual Studio Code, Trello

PROJECTS

Capstone: Golden Karaoke | Developer | https://golden-ktv.herokuapp.com/

Web app that enables real time, long-distance karaoke
- YouTube API, OpenTok, React-Redux, Socket.io, PostgreSQL, Bulma
- Users can join a room, share karaoke videos from YouTube with friends, and sing along!

Stackathon: just listen | Sole Developer | https://just-listen.herokuapp.com/

App that takes a four-part a cappella *chord and play back the notes in an ideal temperament (just intonation) suited to barbershop/baroque genre*
- Tone.js, Tonal.js, tried out React Hooks for the first time with this project!
- Achieved MVP of getting one or more chords to play correctly; documented bugs, future features

Booksalot: Your Place to Get Books | Developer | https://books-a-lot-co.herokuapp.com/

An e-commerce web app for a bookstore worthy of King Arthur
- Used React-Redux, Socket.io, Passport.js, PostgreSQL, Bulma
- Users can browse books, add/remove items to their cart, check out, and sign up/log in to view their previous orders.
- Organized team collaboration by integrating Trello, Github, and Slack.

EDUCATION

Fullstack Academy of Code - New York, NY | January-May 2019
Rigorous software engineering immersive program focused on full stack web development. Emphasis on pair programming in an agile development environment.

Queens College, CUNY - Flushing, NY
Master of Arts candidate, Music Theory GPA: 3.747
Bachelor of Arts, Music GPA: 3.813, *magna cum laude*

Claire Bartels Outstanding Freshman Award, Anna Barkai Memorial Scholarship, Discimus ut Serviamus Award, ACSM Service Award, Karol Rathaus Memorial Award, High Honors in Music, ACSM Senior Award; Golden Key Int'l Honor Society

EXPERIENCE

MAY 2017 - OCT 2018 | **MD ORDERS SPECIALIST** | Personal-Touch Home Care, Inc., Long Island City, NY

- Managed medical requests for self-directed home care for over 500 Medicaid consumers, as well as annual physicals for over 875 of their personal care assistants.
- Proofread, edited, and reformatted all documentation. Redesigned, digitized, and maintained filing system. Created resources for needed changes in process as necessary.
- Troubleshooted and triaged all department technology issues and coached colleagues on computer literacy.

JAN 2017 - MAY 2017 | **EXECUTIVE OFFICE ASSISTANT** | Crystal Dream Baby, Inc., Midwood, NY

- Ensured the smooth day-to-day operation of over $0.5M eCommerce and wholesale small business, liaising between support staff, production staff, and CEOs.
- Developed or created processes to make business more efficient, particularly in the management of some 4000+ style inventory items (handmade jewelry and baby items).
